To Whom It May Concern:

The New York City Sports Commission is once again proud to support the Mayor's Cup New York City Kayak Championships as the featured event of Water Fest. The inaugural Mayor's Cup was a resounding success and we are anticipating the opportunity to help make this year's event even better.

This event provides the chance for New Yorkers and others to express their appreciation of the Hudson River and learn more about preserving this cherished resource. The New York City Sports Commission looks forward to working closely with Ray Fusco and Riverkeeper in an effort to maximize the event's marketing exposure and further enhance its presence in New York City.

Sincerely,

Kenneth J. Podziba  
Commissioner
